System & Bestands Backup

EaseUS ToDo Back Up Free 4.0

- Systeem backup van een hele harde schijf.
- Backup van individuele mappen of partities.
- Incrementele backup.
- Differentieele backup.
- Aanmaak van een Linux rescuedisk.

System en bestand backup.

- Tijdens de installatie van EaseUS ToDo Backup wordt er gevraagd op welk medium de backup bestanden moeten worden opgeslagen. Hier kies je de standaard locatie.
- Gebruik een aparte harde schijf, bij voorbeeld een USB schijf met voldoende ruimte.
- Sluit de geformateerde schijf **voor** de installatie aan, en controleer of deze door het systeem herkend wordt.
- Maak aparte backup partities voor System en Data

The screenshot shows the EaseUS Todo Backup Free 4.0 interface. The top navigation bar includes 'Home', 'Management', 'Logs', and 'Upgrade'. The main area displays backup task details for 'File backup 1-7-2012 10-06' with the description 'Foto backup'. A red box highlights the 'Destination Capacity' section, which shows a pie chart for drive 'F:' with 153,15 GB free and 25,80 GB used. Below this, a red box contains the text 'Standaard opslag locatie.' with an arrow pointing to the 'Calculating required space' link. Another red box contains the text 'Klik om een andere opslag locatie te kiezen' with an arrow pointing to the 'Click here to modify.' link. The interface also shows a sidebar with file system options (My Documents, Favorites, Computer, Network, Desktop) and a table with columns for Name, Capacity, Used space, Type, and Modified time. The bottom bar shows the current destination as 'F:' and a 'Proceed' button.

The screenshot shows the 'Wipe data' window in EaseUS Todo Backup Free 4.0. The window has a blue header with the software name and version, and navigation buttons for Home, Management, Logs, and Upgrade. The main area is titled 'Wipe data' with the instruction 'Select the disk/partition'. It contains a table listing disks and partitions with their file systems, capacities, used space, free space, status, and type. Below the table, a yellow box highlights the selected partition 'M: Boeken (NTFS) 11,71 GB'. Underneath this box is an 'Erase times' field with a dropdown menu set to '3'. A red arrow points from a red-bordered text box to this dropdown menu. At the bottom right are 'Back', 'Next', and 'Cancel' buttons.
